### Math

#### Daily Schedule

Keep a journal of today's snow day schedule. Record the time you woke up and every activity until dinner. Record the times on the attached sheet. Find the elapsed time between your start time and end time using a t-chart or number line.

### Special Class

#### Story Quilts

**Materials:** White paper, pencil, & crayons

**Instructions:** 1. Draw a border around the outside of the paper. 2. Inside the border, illustrate a picture in the center of the paper telling a story about yourself. 3. Color the picture. 4. Use a dark marker/crayon to make the stitching around the border, so it looks like thread.

### Leader in Me

#### First things First

Draw a picture of an example of how you put first things first. After you have completed your drawing, color your picture.

Write a short paragraph 4-6 sentences describing your illustration.

### Reflex Math

Work on improving your multiplication and division fluency by filling in your green dot on Reflex Math.

### Writing

An opinion is what someone thinks, feels, or believes. When you write something that states your opinion, you need to support it with facts, reasons, and details.

List 5 opinions and 5 facts. Explain how you distinguish between a fact and an opinion.

### Art and Writing

Comic Strip Work: create a comic strip that includes at least 5 major events from your snow day. Include words to retell the story along with the pictures.

Comic strip may look like:
