Lunches may be purchased in the cafeteria or may be brought from home, but lunch and/or snacks may not be delivered to school from outside sources. Students must bring their lunch and/or snack with them to school as we will no longer accept them in the front office after the 7:35 am bell, except on special snack or party days-designated by the classroom teacher.

A Note From Your Principal

Oh the Places We Will Go With Leaders Like Us! This is the theme for the 2016-17 school year and I am so excited to see all the places we will go this year. We have a great year planned full of learning and leading. Teachers and staff have been busy planning for a great year. We are anxiously awaiting for August 11th - see you then!

Mrs. Lisa Perdue

Student Eating At No Cost This School Year

The Cumberland County School District will continue participating in the Community Eligibility Option under the National School Lunch Program. Under this option **all students** receive breakfast/lunch at no charge for the entire school year. However, there will be a charge for any extra food items. Please call 270-864-3377 if you have any questions.

Morning Assembly

This year we will have Morning Assembly every morning in the gym. Students will gather in the gym beginning at 7:25 to prepare for school each day. Even though school will not officially begin until 7:35, we encourage parents to get their child to school at the beginning of the Morning Assembly—they won't want to miss it. We will still be recognizing students during these meetings and celebrating the success of students!

Council Corner

The School Council meets August 8th at 4:00 in room 105 at Cumberland County Elementary School. Meetings occur on the second Monday of each month.

Comprehensive District Improvement Plan

The process of CDIP is used as a means of determining how schools and districts plan to ensure that students reach proficiency and beyond. The process focuses school and district improvement efforts on student needs by bringing together all stakeholders to plan for improvement, by focusing planning efforts on priority needs, by building upon school and district capacity for quality planning, and by making connections between the funds that flow into the district priority needs in the school.

Important Dates and Reminders for 2016-2017 SY

Back to School Reminders

- Students can use any type of backpack this year.
- There will be no school supply list for the upcoming school year. All students will be asked to pay a \$10 fee to cover supplies for the 2016-17 SY. Parents will still be responsible for backpacks and lunchboxes.
- Just a reminder that students have an opportunity to work on their 20 AR points over the summer! They can take tests at the Public Library or Open Library at CCES each Wednesday from 9 to 12.
- Yes, it's July, but CCSD is proud to announce our acceptance into the NTI (Non-Traditional Instruction) program for the upcoming 2016-17 SY! This program will allow us to continue instruction for up to 10 days without being required to add make-up days to the end of the calendar due to inclement weather, sickness, or other related emergency school closures. Details will be forthcoming soon.
- Parents...if you have not signed up for our CCES Remind class, please do so. That is a fast, easy way to stay on top of what is going on at school. If you were signed up last year - there is nothing else you need to do. If you weren't signed up last year - below are the instructions!
