

Enacted May 2017/Effective 2017-2018 SY

Cumberland County Schools

Meal Charge Policy

All Schools

All students eat free breakfast and lunch in Cumberland County Schools, as long as we participate in the Community Eligibility Provision (CEP) program. Since all students get a full meal at no cost, students may not charge for “extra” or “al-a-carte” food items, although they may be available for purchase. Adults may not charge in any capacity. This policy will be available on the district website (www.cumberland.kyschools.us) in the Food Services section and applies to all schools in the Cumberland County School District.
